

I know the place. Now,

HOW CAN I HELP THE WRITING CENTER WORK WITH MY STUDENTS?

Encouragement

Encourage your students to visit the center – even a student that is doing well can benefit from a tutor. The Writing Center can help at any stage of the writing process.

Preparation

Ask your students to bring their assignment instructions, prompt, and grading guidelines to their tutoring appointments. The Writing Center also accepts assignment instructions from faculty so tutors are always prepared for students.

Collaboration

Share stories of your own experience collaborating with others to develop writing. Invite a Writing Center tutor to visit your class to provide a short presentation.
