Section:	Student Services	Subject:	Advisement Services

PURPOSE

Advisement Services will provide academic/career advisement and counseling to all Arizona Western College students who seek such services to assist them in achieving academic/career goals.

Advisement Services provides a team of academic advisors that assist students in their academic and career development, guiding students into, through, and beyond their college experience.

Teaching students how to discover their career/academic/personal interests, explore their career/academic options, create their individual college experiences, and prepare for their future career.

PROCEDURE

1. Advisement will:

- a) Assist students in the development of a meaningful education/career plan that is compatible with their personal life goals. Create an advising process that is proactive, ongoing, and strategic.
- b) Provide students with the necessary information, resources and assistance to help them have a successful start and experience at AWC.
- c) Deliver a variety of academic recovery programs and services that assist and equip students with creative and innovative tools to become more engaged in pursuit of their goals.
- d) Offer a variety of intrusive advising, tracking and mentoring support services leading to the academic, career and transfer success of students.
- e) Utilize technology to its fullest to enable students to engage wholly in their academic and career development through the use of technology.
- f) Create and provide an environment that enhances each student's experience and provides for the best possible student-centered customer services and at all times.
