ABOUT FOUNTAIN OF YOUTH SPA

Fountain of Youth Spa was founded by Viviana Jimenez. Viviana is a certified phlebotomy technician, licensed esthetician and body sculpting specialist.

Fountain of youth spa offers a variety of specialized facial & body care treatments. Her purpose is to enhance her clients natural beauty and to give them the confidence they need and deserve.

HOW SBDC ASSISTED

Viviana came into SBDC seeking advice on starting her business. A business counselor provided her with the steps for legally opening her business and assisted her in creating her LLC and other required certifications and licenses. SBDC assisted her in creating and modifying a business plan. She later received guidance understanding the difference between employees and sub-contractors.
