

# Project Management Professional Zoom Distance

## COMING SOON

### Spring 2025

This training program is designed for individuals with a minimum of 3 years of hands-on project management experience in any industry. It is tailored to help students fulfill the education requirement and prepare for the Project Management Professional exam (PMP®). Participants will benefit from practical instruction provided by a certified PMP® instructor on managing projects in accordance with the processes outlined in the Project Management Body of Knowledge (PMBOK® Guide), 7th Edition. Students will gain insight into the specific areas of their project management expertise that will be evaluated in the PMP® exam, enabling them to concentrate their preparation efforts effectively. Students who successfully complete this workshop will receive an AWC Continuing Education Certificate of Completion.
